

Birthday cake Singapore, Cake delivery Singapore

cuppacakes.com.sg is a gourmet bakery in Singapore dedicated to achieving one simple goal. Every day, we handcraft the most delicious French butter cupcakes you have ever tasted. Using the finest ingredients we mix, bake and decorate every single cupcake, giving you a fresh, fun, delicious and truly wholesome experience.

We use the BEST possible ingredients available in the market including french butter, European cream, American vanilla paste. We DO NOT use margarine, palm oil, vegetable shortening, preservatives and chemicals in our cupcakes.

Ever wondered why all the cupcake shops ask you for at least 1 week of advance notice for your orders? Because these cupcakes are made in advance in large batches with preservatives and chemicals so that they can be stored for up to 2 weeks.

Birthday Cupcakes

Create those perfect cupcakes for your lovely princes and princesses. Decide the flavors that they want, and your message, and we will sculpt those perfect cupcakes for you. The cupcakes will come with a birthday message, please specify the message to be written on the cupcake at the checkout page, or email us the message at orders@cuppacakes.com.sg after you've placed your order.

Alphabet Cupcakes

Create your own message. You can either choose one alphabet or number per cupcake, and you can create your own creative or fun message. Get them delivered in time to surprise someone you care about. The quantity is per dozen, i.e. Quantity of 1 means 12 cupcakes, qty of 2 means 24 cupcakes and so on.

Edible Print Cupcakes

Edible Prints are very popular with the office and birthday parties, as they can customize the cupcakes to the theme of the party. You can order the Image Print cupcakes and send us your very own image by email - orders@cuppacakes.com.sg . You can have multiple images, hence you can get multiple types of image prints for the same party! **Call us at +65 9006**
